Contract No. [REDACTED]
Amendment No. 3

25X1

23 JUN 1967

ITEK Corporation
Lexington
Massachusetts

Gentlemen:

1. This document constitutes Amendment No. 3 to Contract No. [REDACTED] which was entered into, by and between the parties as of 18 April 1966.

2. By this Amendment No. 3 and in accordance with the Changes Clause of the General Provisions, the Scope of Work under PART I of the Schedule is expanded as follows:

(A) Under Paragraph A of PART I - ARTICLES TO BE FURNISHED, the Contractor shall manufacture and deliver one (1) additional Gamma I Rectifier in accordance with the Contractor's technical proposal dated 17 March 1966 and as amended by the Contractor's addenda dated 21 March 1966 and 12 August 1966, the contents of which are incorporated herein by reference and made a part hereof. The referenced technical specifications notwithstanding, the projected resolution targets and grid will be prepared and read at the equipment site. The resulting accuracy determination will be made by the customer personnel. Installation and calibration of this additional instrument shall be made at the customer's site.

3. Also by this Amendment No. 3 and in consideration for the expansion in scope, PART III - CONSIDERATION AND PAYMENT is deleted in its entirety and the following is substituted therefor:

"In accordance with Clause 7 of the General Provisions entitled Payments, the Government shall pay to the Contractor upon satisfactory performance of this contract and as full payment for the supplies to be furnished hereunder the sum of [REDACTED]
